

OBJECTIVE

To secure a challenging **Frontend Developer** position where I can apply my skills in **HTML, CSS, JavaScript**, and modern frontend technologies to develop high-quality, responsive web applications. Eager to contribute to real-world projects, grow as a developer, and support team goals through clean, efficient code.

Abdul Majid

FRONTEND DEVELOPER

I'm a passionate and motivated **Frontend Developer** with hands-on experience in **HTML, CSS, JavaScript**, and **GSAP**. I enjoy bringing designs to life with smooth, interactive user experiences. Alongside my technical skills, I have strong **team management abilities**, am a **fast learner**, and always eager to take on new challenges. I'm currently seeking a **Frontend Developer internship** where I can contribute to real-world projects, grow my skills, and learn from experienced developers.

EXPERIENCE

Intern

Husbar, Hyderabad (Remote)

Jan 2025 – Present

- Supported staff members in their daily tasks, reducing workload burden and enabling focus on high-priority assignments.
- Gained valuable experience working within a specialized industry, applying learned concepts directly to real-world work situations.
- Analyzed problems and worked with the team to develop solutions.
- Explored new technologies and approaches to streamline processes.
